Re: Donation of Clark C15C Lift Truck

This comes with our deepest gratitude and appreciation for the Clark lift truck donated by your company for our new operation in Calhoun GA. This gift in kind, valued at \$6,500.00, is yet another invaluable boost to assure our success at the location.

Last week when Pat Thompson advised the equipment was coming to us as a donation, it was cause for celebration. We budgeted for the purchase, but the significant savings on the item allows us to do even more to serve the Gordon County community; both a generous and practical gesture by your company.

Material Handling Inc is a valued partner with The Salvation in service to Whitfield, Murray and now Gordon Counties. Accept my personal best wishes and may God bless you and your work family richly.

Kind regards.

Very sincerely  
THE SALVATION ARMY
